Section E – Exposure Checklist

MTRNE No.:

Answer the following questions by checking “Yes” or “No” in the appropriate box. See instructions for guidance.

Are any of the following materials or activities exposed to precipitation, now or in the foreseeable future:	YES	NO
1. Any industrial machinery or equipment stored, used, or cleaned where exposed to storm water; or, are there any areas where residuals from using, storing, or cleaning industrial machinery or equipment?	<input type="checkbox"/>	<input type="checkbox"/>
2. Any materials or residuals on the ground or within the storm water collection system?	<input type="checkbox"/>	<input type="checkbox"/>
3. Any materials or products from past industrial activities?	<input type="checkbox"/>	<input type="checkbox"/>
4. Any materials or products that are exposed to storm water during loading, unloading, or transporting activities?	<input type="checkbox"/>	<input type="checkbox"/>
5. Any materials or products stored outdoors except for final products stored intended for outside storage and do not result in the discharge of pollutants?	<input type="checkbox"/>	<input type="checkbox"/>
6. Any materials contained in open, deteriorated or leaking storage drums, barrels, tanks, and similar containers?	<input type="checkbox"/>	<input type="checkbox"/>
7. Any materials or products handled/stored on roads or railways owned or maintained by the discharger?	<input type="checkbox"/>	<input type="checkbox"/>
8. Any industrial waste materials except waste in covered, non-leaking containers?	<input type="checkbox"/>	<input type="checkbox"/>
9. Any application or disposal of process wastewater unless otherwise permitted?	<input type="checkbox"/>	<input type="checkbox"/>
10. Any particulate matter or visible deposit of residuals from roof stacks and / or vents not otherwise regulated (i.e. under an air quality permit) and is evident in the storm water outflow?	<input type="checkbox"/>	<input type="checkbox"/>

If the answer “Yes” is applicable to any of these questions, the industrial activity is **NOT ELIGIBLE** for the “no exposure” exclusion. Please obtain coverage under the MSGP or an Individual MPDES Permit.

If the answer “No” is applicable to **ALL** of these questions, the industrial activity is **ELIGIBLE** for the “no exposure” exclusion. Please continue to **Section F**.

Section F – Certification

MTRNE No.:

Applicant Information: This form must be completed, signed, and certified as follows:

- For a corporation, by a principal officer of at least the level of vice president;
- For a partnership or sole proprietorship, by a general partner or the proprietor, respectively; or
- For a municipality, state, federal, or other public facility, by either a principal executive officer or ranking elected official.

Please check the following boxes indicating you understand the requirements presented herein, and sign the certification:

I certify under penalty of law that I have read and understand the eligibility requirements for claiming a condition of “no exposure” and obtaining a conditional exclusion from MPDES storm water permitting; and that there are no discharges of storm water contaminated by exposure to industrial activities or materials from the industrial facility identified in this document.

I understand that I am obligated to submit an industrial no exposure certification form once every five years to the Department and, if requested, to the operator of the local MS4 into which this facility discharges (where applicable). I understand that I must allow the Department or MS4 operator where the discharge is into the local MS4, to perform inspections to confirm the condition of no exposure and to make such inspection reports publicly available upon request. I understand that I must obtain coverage under an MPDES permit prior to any point source discharge of storm water from the facility.

All Applicants Must Complete the Following Certification:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information; including the possibility of fine and imprisonment for knowing violations.
